تُعد شركة البرلسي للتطوير العقاري من الشركات العريقة في مجال التنمية العقارية، حيث قادت على مدار تاريخها العديد من المشروعات الرائدة في كل من مصر والكويت، مطلقاً ما يقارب خمسين مشروعاً متنوعاً في القطاعات السكنية والتجارية والخدمية والطبية والتعليمية والترفيهية. وتُصنف اليوم كواحدة من أبرز الشركات ذات التوجه المستقبلي والرؤية الحداثيّة في صناعة التطوير العقاري، إذ تسعى إلى تجاوز المفهوم التقليدي للبناء نحو صناعة مجتمعات متكاملة ذات قيمة استثمارية مستدامة. كما تعمل الشركة وفق خطة توسعية طموحة لإطلاق خمسة وعشرين مشروعاً مميزاً بمنطقة الدلتا، معتمدةً على منهج التصميم العلمي، والتنفيذ عالي الجودة، وإدارة احترافية تضمن تقديم منتجات عقارية بمعايير عالمية، وتمكّن الأفراد والعائلات من امتلاك العقارات التي طالما حلموا بها، وتوفير لرواد الأعمال فرصاً استثمارية قوية في مواقع استراتيجية تحقق عوائد مستقرة وطويلة الأمد

Albrolosy Developments is a well-established real estate company that has led numerous landmark projects across Egypt and Kuwait, delivering nearly fifty developments spanning residential, commercial, service, medical, educational, and entertainment sectors. Today, it stands among the most forward-looking and modern-driven developers in the industry, moving beyond traditional construction concepts toward the creation of fully integrated communities with sustainable investment value. The company is pursuing an ambitious expansion strategy to launch twenty-five distinguished projects in the Delta region, relying on a scientific design approach, high-quality execution, and professional management standards to deliver real estate products aligned with global benchmarks—empowering individuals and families to own their dream properties while offering entrepreneurs strong investment opportunities in strategically located developments that ensure stable and long-term returns.

AL GHANEM INTEGRATED
(OMAN)

(OMAN)

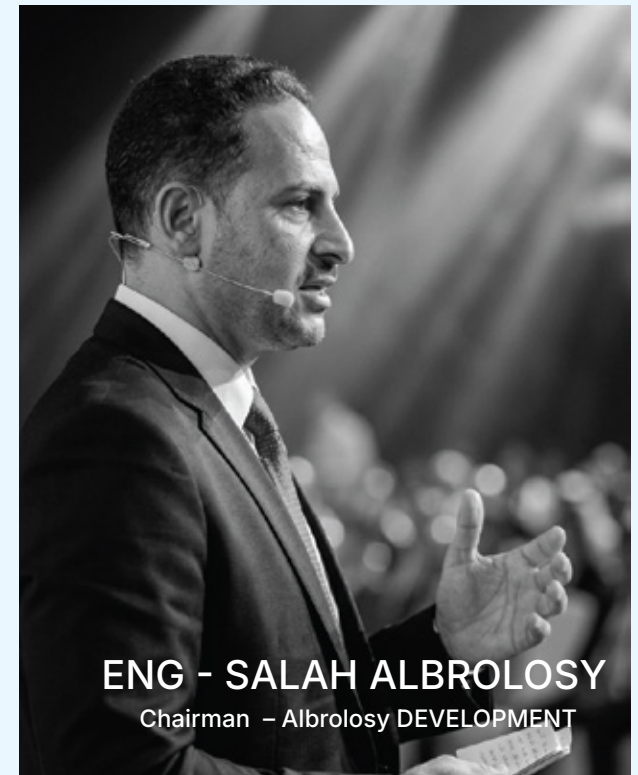

Eng. Salah, CEO of Albrolosy Developments, possesses a strong engineering background that shaped the foundation of his professional journey. He began his career in the State of Kuwait, where he was one of the founding partners of Damak Al Khaleej, a holding company specialized in general contracting. During his tenure there, he assumed key executive roles that contributed significantly to building the organization and delivering major projects in collaboration with local and regional partners. From Kuwait, his expansion vision was born — aiming to establish a fully integrated real estate entity in Egypt that keeps pace with the region's accelerating urban ambitions.

As a Board Member of the Real Estate Development Division at the Chamber of Commerce, Head of the Investment Committee of Mostaqbal Watan Party in Damietta, and CEO of Albrolosy Developments, Eng. Salah Albrolosy leads the company's strategy based on developing integrated urban communities and forming partnerships built on efficiency, commitment, and quality. He is known for his decisive leadership and practical approach, alongside his continuous dedication to maximizing the investment value of projects and delivering a tangible, sustainable impact on the urban landscape.

Chairman – Albrolosy DEVELOPMENT

ENG - SALAH ALBROLOS

Chairman – Albrolosy DEVELOPMENT

Mr. Ghanem Kamal Hamed Albrolosy, Chairman of Albrolosy, brings extensive experience in corporate management, strategic planning, and business development across multiple sectors and international markets. He has a proven track record in establishing and leading successful companies, with deep expertise in project management, market analysis, and developing sustainable investment solutions that strengthen organizational performance and support long-term growth.

He holds a Bachelor's Degree in Engineering from the Faculty of Engineering, Mansoura University (2000), specializing in Electrical Machines and Renewable Energy Projects. He is a board member of the Real Estate Apartments Division in Damietta, a member of the Egyptian Engineers Syndicate, and the Kuwait Society of Engineers, reflecting his strong professional presence both locally and regionally.

ENG -GHANIM ALBROLOSY

CEO - ALBROLOSY DEVELOPMENT

Driven by excellence and powered by industry-leading expertise.
Sabbour Consulting has been appointed as the structural engineering consultant for Sana Tower, reinforcing
our commitment to delivering exceptional quality, precision, and long-term value.

SANA TOWER

THE INNOVATIVE CYLINDRICAL ARCHITECTURAL DESIGN MAXIMIZES THE PROJECT'S SEAFRONT LOCATION, ENSURING ABUNDANT NATURAL LIGHT, OPEN SEA-FACING FAÇADES, AND PANORAMIC VIEWS FROM ALL DIRECTIONS—ESTABLISHING SANA AS A PROMINENT LANDMARK IN NEW MANSOURA'S SKYLINE

In the heart of New Mansoura, directly on the seafront, SANA rises as a distinctive architectural landmark redefining coastal living. The project is not merely a mixed-use development, but a fully integrated destination combining upscale living, promising investment, refined hospitality, and modern entertainment within one iconic entity that embodies luxury and excellence.

في قلب المنصورة الجديدة، وعلى واجهة بحرية مباشرة، يرتفع مشروع سانا كعلامة معمارية مميزة تعيد تعريف أسلوب الحياة على البحر. المشروع ليس مجرد مبنى متعدد الاستخدامات، بل وجهة متكاملة تجمع بين السكن الراقي، والاستثمار الواعد، والضيافة الفندقية الرفيعة، والترفيه العصري، في كيان واحد يجسد الفخامة والتميز

©

TO THE *Sea* CLOSEST POINT

SANA is positioned directly on the very first seafront row, granting its units uninterrupted open views of the Mediterranean. This exceptional location is not merely scenic—it creates a fully immersive lifestyle where the sound of waves and sea breeze become part of your daily rhythm. Direct beach proximity significantly enhances both residential appeal and long-term investment value.
